THE CANADIAN WINTER CARNIVAL

under the distinguished patronage of

MR. HUNTLEY DRUMMOND

President of the Bank of Montreal,

and the Board of Governors of Sir George Williams College

SHAWBRIDGE — FEBRUARY 3 & 4, 1940

This marks the sixth successive winter that a Carnival has been staged at Shawbridge. The five previous events have been purely ice carnivals, and have been produced by the 'Association Sportif de Shawbridge'. Thus, while the 1940 edition of the Winter Carnival is not an entirely new idea, it is the first year in which the event has been staged in such proportions—skiing not having been included in the programme before. It is with high hopes that the Ski Club of Sir George Williams College joins with the Shawbridge association in presenting to the public 'The Canadian Winter Carnival'.

The 'Association Sportif de Shawbridge' has been functioning for about six years and has as its objective the promotion of winter sports in that locality. The president of this group is Mr. Paul Renaud.

The Sir George Williams College Ski Club has been organized for several years and has as its objective the promotion of skiing among the students. The Georgians have centered themselves at Shawbridge and have taken over the old Viking downhill and jump and have also cut several new cross-country trails around Shawbridge.

CARNIVAL NOTES

The presence of the Montreal Figure Skating Club Inc. is through the courtesy of Mr. Lockerby, president of the Club, and the generosity of the 'Association Sportif de Shawbridge'. All skating items on the programme are being executed by the Club as well as the routine featured in the presentation of the Carnival Queen.

The Carnival Queen, whose picture appears on the cover of this programme is Geraldine Walsh, a second year student in the Commerce faculty of Sir George Williams College. Miss Walsh was selected as queen by a college-wide poll held in December. The photograph is by Norman Rogers.

COMPETITIVE SKIERS — ATTENTION

All ski events have been divided into two classes, open and closed. The 'open' class will be run in two sections, those eighteen and under and those nineteen and over. The 'closed' class will include a class for Intercollegiate skiers and one for members of the Georgian Ski Club. The races for women will be in two classes, open and closed (for members of the Georgian Ski Club).
